科西嘉理砂石系列

—— 高端纯正岩板 ——

空间带给人的情感，往往隐居于细节之中。藏于岁月深处，其背后是对生活的珍视，对人的理解，在某些特殊时刻，是一种对生命的关照与探寻。

The emotion brought by space is often hidden in details and hidden in the depths of time. Behind it is the value of life and the understanding of people. In some special moments, it is a kind of care and exploration of life.

轻轻浅浅如沾染过的薄云疏雨
漫透着夜色
幻化成空间中最为富有生命力的一抹婉约
不经意间
丝缕萦绕，漫上心头
牵引出心底深处最为浪漫的记忆

NB918215 Moon White texture.

As shallow as stained clouds and sparse rain.

Soaked in the coolness of the night.

Turn into a touch of gracefulness with the most vitality in space.

Carelessly.

The strands linger in my mind.

Draw out the most romantic memories from the bottom of my heart

在素净淡雅的灰白色中
灵动轻快的白色纹理
带着自然的脉动不断延伸
犹如大海退潮后沙滩上留下的浅浅痕迹
记录下浪花轻轻一吻
带来生活的淡然舒适

In the plain, light and elegant light gray.

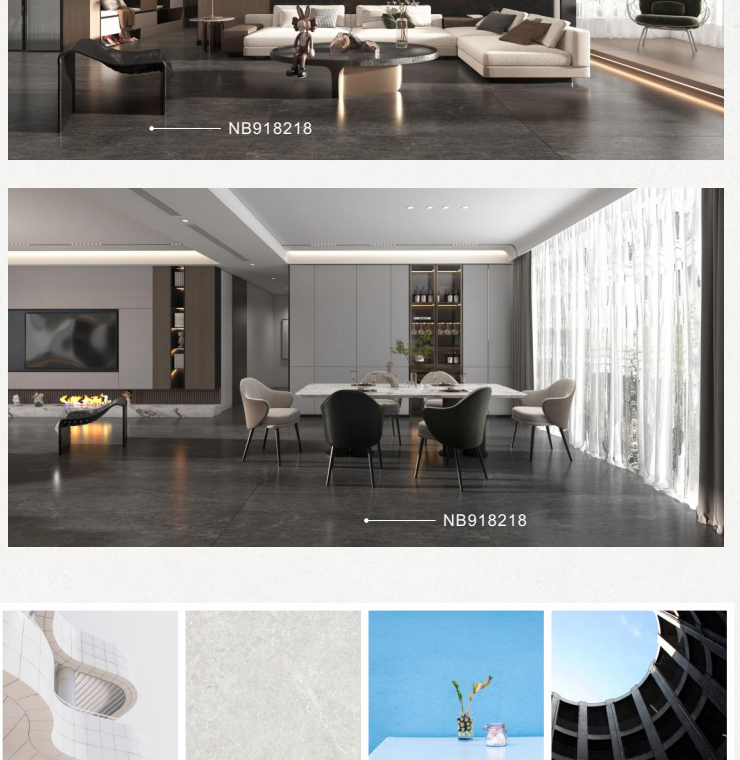

A smart and lively white texture.

Stretching with the pulse of nature.

Like a shallow mark on the sand after the ebb of the sea.

Record the gentle kiss of the spray.

Bring the indifferent comfort of life

我们创造生活，对于空间的利用、
使用的瞬息、使用的时间的方式、
人像管理理员、
为拥有的一切物品、情绪、时间、
找寻最适宜的位置。

We create our lives, how we use space,

what we use, how we spend our time,

like stewards, finding the best place for everything

we own, our emotions, our time.

Behind each set of programs is a person

with lofty standards and unique judgment for life.

The program design has been constantly

adjusted and improved, and the whole
