踏遍山川秘境，探寻自然色彩肌理，意大利原创设计团队，从自然广袤的山川云海中汲取灵感，精心设计的米黄和暖灰色调，将珍稀石材纹理融入时尚多元的生活态度，突破原生石材品相，将大自然如诗如画的一面融入空间。

The original Italian design team has explored the natural color texture through the mountains and rivers. Inspired by the vast natural mountains and rivers and clouds, the carefully designed beige and warm gray tones integrate the rare stone texture into fashionable and diversified life attitude, break through the original stone appearance, and integrate the poetic and picturesque side of nature into the space.

安纳西ANNECY系列完美符合当下追求简雅、舒适的潮流审美，对原生石材元素的质感细节进行解构、融合、再造，融合多重釉面工艺技术，从纹理、触觉、色彩、光感、品相多维度全面升级，实现人文与自然的创新融合。

Annecy series is perfectly in line with the current aesthetic trend of pursuing elegance and comfort. It deconstructs, merges and reconstructs the texture details of the original stone elements, integrates multiple glaze technology, and comprehensively upgrades from the dimensions of texture, touch, color, light, and appearance to realize the innovative integration of humanity and nature.
